Orientation Day

Ingleside School will have an Orientation/information Day for new entrants for Prep 2015 this Thursday 18th September, 2014. This is a great opportunity to meet staff, parents and students prior to the start of the new school year. We will also be organising some days for new Preps to visit the classroom this year for a few hours to help them become familiar with classroom procedures and meet students before they start school next year.

The following program is envisaged.

9.30am
Parents in library for talk by Principal/Class teacher regarding expectations, procedures etc for Prep. New enrolments will be doing craft activities with one of our teacher aides and some students.

10.30am
Morning tea

Please come along and join in with the activities, we look forward to meeting you. School uniforms will also be available if you wish to purchase on the day. If you have your child’s name down to enrol at our school and will not be attending, please let us know as soon as possible.

At the time of enrolment it is a legal requirement that we sight your child’s/children's birth certificate/s and copy for our files.

If any parents can help by supplying some morning tea for our visitors it would be very much appreciated.

Classroom Comments Prep/Junior

Firstly, I would like to thank all of the parents who have met with me over the past week to discuss their child’s learning progress. It was great to hear your perspective about how your child’s academic and social skills are developing and to share how we (the school, in partnership with you) will support their future progression next term and beyond. If you were unable to meet with me but would still like to, please book a time for either this coming week or early next term.

Class business: Please note that show and tell stops this week. Next term I will introduce 'book club' which will replace show and tell. This is a
great program which encourages ‘oral fluency’ and ‘public speaking confidence’ centred around specific language rich books. The program re-enforces metalinguistic skills, reading strategies and comprehension tactics plus, it is super fun!

This is the last week for homework so please return folders so we can prepare the books for next term.

Reminders:

- School photos - Tuesday the 16th of September.
- Run-a-thon and school disco – Wednesday 17th of September.
- Prep 2015 orientation morning – Thursday 18th of September. Please RSVP

Have a wonderful holiday,

Brenda Grima

Classroom Comments Intermediate

Thank you to the parents who took time to discuss their child’s academic progress and social/ emotional development in parent teacher interviews. If you could not make an interview and would like to see me please arrange a time with me.

On Tuesday 9th September the Year 3 and Year 4 students went to the Ashmore PCYC Bike Safety Centre to learn about bike safety on the road. The students learnt about road signs, riding on the safe side and following the road rules. The instructors commended our school on the way the students conducted themselves and represented Ingleside State School. Well done to all the students who attended the program.

Classroom Comments Senior

Students of the senior class have been flat out over the last two weeks, working studiously to complete assessment for a variety of subjects. In English, students have been exploring news reports and their persuasive qualities. Students were required to analyse and provide a written response to a news article. In Science, students selected an earthquake and collected factual data about it – creating a PowerPoint presentation. This will be delivered as an oral presentation at the start of next term. In Maths, students have been exploring time and percentages. During Geography, we have been looking at our connections to other parts of the world and collecting data to create a research report.

Interschool sport continues this Friday at Pizzey park – good luck to the year 4/5 students. Year 6’s and 7’s will be at Elanora high school for the final time this term.

Enjoy your holidays, stay safe and I’ll see you next term.

WORLD PREMIERE PLAY

One of our Ingleside mums – Monette Lee, is producing and acting in a new play by Timothy
Daly. It is an exciting World Premiere right here on the Gold Coast from 15th to 18th October in the brand new theatre in Helensvale – beating Paris France who are doing it in 2015! Titled *Shrinks*, it is a delightful evening at the theatre about a couple of middle aged married psychotherapists who are in an over analysed relationship, until a handsome young man comes to be ‘cured’ by them and upsets the routine of their lives. While it questions the notion of happiness, it is full of witty dialogue, great latin music, bossa nova dancing and laughs, so come and join in the fun. Book early tickets selling fast and it is a strictly limited season. Only 4 days!!! Tickets cheaper if booked online.
