Hinterland Small Schools Soccer & Netball Carnival

Thank you to all the parents who helped and supported our school at the recent carnival. It was a fantastic day with the children playing with a great attitude and good sportsmanship. We had an amazing participation rate with 82 children attending on the day.

School Photos

On Wednesday of Week 2 we will be having school photos taken. Please make sure that your child is in full school uniform on the day. Information will be sent home at the start of Term 4.

Enrichment Program

Letters have been sent home today regarding Ingleside's Enrichment Program. If you received a letter please read the information and go through the contract with your child. Please ensure that your child fully understands their responsibilities if they agree to participate in the program.

Project Club

The Project Club held a meeting last week and passed the following motions:

- This year's Senior Shirt will be the design used by subsequent Year 6 classes
- The Project Club will subsidise 50% of the cost of Senior Shirts

Year 4/5/6 Camp

This year the children in Years 4, 5 and 6 will be attending Tallebudgera Beach School on 26-28 October 2016 for their camp. The theme of this camp is **Champ Camp: Awakening the Champion Within**. The children will be participating in team building activities, surf awareness and body boarding, kayak adventure and high ropes. The cost for this 3 day/2 night excursion is \$195, the Project Club will subsidise each child \$50. As a result the cost per student will be \$145. Any parents concerned about anything to do with their child's attendance at camp please don't hesitate to contact me. We endeavour to have all students attending as it is a wonderful opportunity for everyone to experience and share.

P&C NEWS

We hope everyone has a happy and safe holiday break and look forward to catching up in Term 4.

Next P&C meeting is on Monday 24th October at 2pm in the library, everyone welcome.

Classroom Comments Prep/1

The last week of term is already here.

I would like to start by thanking the parent helpers especially Emma Dickenson who comes in every morning and helps out with sight words and sentences. THANK YOU!

I would also like to remind those of you who have not supplied your children with 2 scrapbooks, 2 whiteboard markers and 2 glue sticks. Could you please bring these in as soon as possible.

There will be no homework going home this week. Could you please search your homes for any of our reading books from school as some have not been returned.

Have a wonderful holiday, stay safe and have fun!

Mrs Cameron and Miss Debbie

Classroom Comments Year 1/2

Film makers be aware that you have new competition....our students have created excellent 30hands movies making their narrative come to life. Every child really liked using the new app and they were very happy with their final product. It will be great to share their work with students from other classes.

We have had a wonderful term filled with heaps of learning. Our next few days are going to be totally relaxed and fun. Have a wonderful holiday,

Miss Grima

Classroom Comments 2/3/4

Well term 3 has just flown by! The 2/3/4 class have been working hard this week during Maths concentrating on telling the time to the nearest minute, quarter to, quarter past and half past. The students have also enjoyed learning a new maths dice game called 'Middle It' which has proven to be popular and involves a fair bit of strategic thinking. I am so proud of many of the students, gaining confidence in their writing using not only the many adjectives and adverbs we have been focusing on but writing in paragraphs. A special mention to Lille, Muki, Willow and Matylda on this great achievement in their writing. Have a great holiday everyone and I look forward to a productive and exciting Term 4.

Merit awards-

Kash for always being a polite and a caring friend who has also shown a great attitude to his writing, seeking feedback and acting on that feedback to improve. Well done Kash!

Kees for being an active learner who contributes to each Maths lesson. Welll done Kees on your positive approach to your work!

Classroom Comments 4/5/6

The final week of term! The 4/5/6's have been busy completing assignments and outstanding

work so that we can start our new term up-to-date and well-organised.

The Soccer and Netball Carnival last week was great fun and congratulations to all the class members on their fabulous sportsmanship. It was wonderful to see everyone trying their best, showing impressive team spirit and being gracious both in victory and defeat.

As we wrap up the term's learning in 'You Can Do It', our focus is 'friendship' and the attributes that are necessary to be a good friend. We are exploring the behaviour we need to emulate and, conversely, how being a good friend can also mean standing up to our friends when they are not making good choices. It is hoped with many real life lessons having been learnt this term, that next term we will see everyone in 4/5/6 making good choices and displaying better friendship skills.

Wishing you all a wonderful holiday.

Vicki ☺
