Principal's Info

Welcome to Temily Calabro

We would like to welcome Mrs Temily Calabro (many of you will know her as Miss Eddington) who will be working in the Year 1 class each Friday for the rest of the year. Mrs Cameron will now be on Year 1 class Monday to Thursday. Temily has been working at our school for the last 2 years as a TRS teacher and we are so very happy to welcome her and add her to our fulltime staff.

Year 3 and Year 4 Camp

Information regarding this camp was sent home in Week 10 and it is important that all permission and medical forms are returned to the Office in the first week of Term 3. Invoices will be forwarded to parents in Week 1, the cost is \$177. The camp is being held from Monday 24 until Wednesday 26 July 2017 at Currumbin Valley Farm School. The children are very excited about the camp, if parents however have any concerns regarding their children please don't hesitate to contact the office. We would appreciate all invoices being finalised before the children go on camp. Please let us know if you need assistance regarding the payment.

Facebook Page

I have not been able to resolve the issue around our school Facebook page. It appears that I will need to close the page and restart it. You may need to "like" our new page as soon as it is reset.

Every Day Counts

As we reach the end of Term 2, parents are reminded of the importance of sending children to school every day. Being at school every day counts, with one day absent each week quickly adding up to two months of missed lessons in a year.

The school attendance for the first 2 terms was 94%, an amazing result considering the number of sick children we had in Term 2. Congratulations to everyone for such a great effort.

Unless your child is ill, it is expected that your child will be at school learning every day of the school year.

More information on the importance of regular school attendance is available at <http://education.qld.gov.au/everydaycounts/index.html>

School Athletics Carnival

Hopefully the oval will have dried out by Week 2 next term. We are planning to hold the School Athletics Carnival on Thursday 20 July 2017.

Reports

All reports have been sent home. If your child was absent today their report can be collected from the Office at the start of Term 3.

School Maintenance

The holidays will see the completion of the repairs to the school. The works are:

- New concrete tennis courts and fencing
- Wall to retain the land on the boundary behind the Prep/1 classroom
- Chain mesh fencing around the school boundary
- Repairs to the rubber soft fall on the Prep playground (already completed)
- Parent Centre will be cleaned and repainted
- Doors to the Prep/1 room to be repainted
- Soffits replaced, roofing and down pipes repaired on the Year 2/3 block

We are just finalising the claim for our lost resources and then the flood recovery will be completed. It's hard to believe that it is 12 weeks since the flood.

Enjoy your holidays, rest up and stay safe.

Music News

We would like to commence an Ingleside State School choir, meeting every Thursday during first break (immediately after eating time). The topic has been discussed in class and many of the children are eager to participate.

If your child is interested, they need to commit to showing up each week, working on pitch, breath and learning lyrics.

This is performance quality singing and the children need to understand it requires a level of dedication and full school uniform on the occasions when we perform.

P&C News

The next P & C Meeting will be held at 7pm on the 2nd August @ JFK Wood Fired Kitchen & Bar - 37a Tallebudgera Creek Road, Burleigh Heads, Gold Coast QLD 4220.

Please come along for a wine/coffee or dinner and catch up on all things Ingleside. Please read our Ingleside State School P&C News at the end of the school newsletter containing all the interesting outcomes of the June P&C Meeting.

Classroom Comments Prep

Last week I was flicking through the Prep Class photo files and my memories instantly returned to our first day of school which seems like only yesterday. Yet, in the short six months of being a class we have made so many great memories and everyone has made so much progress.

First semester has had so many highlights; making friends, growing confidence, learning how to be part of Prep Class, our first school disco, sports carnivals, let's face it the list could be a mile long!

Our class have so many important supporters including Ms Debbie and Ms D who help reinforce and consolidate the students' learning. They do an amazing job and the kids really enjoy working with them. On behalf of the Prep Class community I would like to send the above mentioned ladies a great big THANK YOU!

I wish everyone a very safe and fun holiday. Feel free to keep reading, writing and practising sight words with your child.

Classroom Comments Year 1

It is hard to believe that Term 2 has come to an end. We have had a very busy term and I am very proud of all the children for their great progress and enthusiastic love of learning.

Your children really are awesome!

Please encourage them to read at home over the holidays and utilise Reading Eggs if you can. Their homework will be at school with their login details so make sure you write them down or come in and get a copy.

Have a wonderful, safe, happy and restful holiday and I will see you all back for Term 3.

Tracey Cameron

Classroom Comments Year 2/3

It has been an amazing term. Great progress has been made in Reading and Maths in our classroom. I wish everyone a safe and happy holiday and I will see you all back for a great Term 3.

Merit awards:

Maya-For fantastic work in Mathematics. Maya you are showing great confidence in solving multiplication word problems.

Ruby- For outstanding progress in Mathematics. Ruby you have 'smashed' your doubles when adding!

Classroom Comments Year 3/4

Wow! We are at the end of another term and half way through the school year. This week students will be finishing their literacy focus on persuasive text and we will be waving good bye to history and welcoming geography for the next semester. We are also going to be delving into Readers' Theatre this week, students will be showcasing their acting ability and we might discover the next big star. Readers' Theatre is a great way for students to have fun while building on and improving their expression, enunciation, fluency and confidence.

The students have produced some wonderful, creative work this semester across all subject areas. I look forward to another amazing and productive term to come and would like to wish everyone a safe, relaxing and enjoyable holiday.

Chloe Pidcock

Classroom Comments Year 5/6

It's a busy last week of term, with lots of responsibilities for the Senior Class. We have had House Captains perfecting war cries for the Athletics Carnival and helping out with preparations for the disco on Wednesday which was a great success. Well done Seniors! ☺

Thank you for the support you have given your child this Semester with homework and home reading. The children have worked hard over the past two terms and, in particular, produced some wonderful writing, showing creativity and the ability to use precise language. I look forward to seeing their development over the next Semester.

I hope you all have a very happy and safe holiday.

JUNE 2017

A NOTE FOLLOWING THE JUNE P&C MEETING

Firstly, thank you to those who ventured out in the cold weather, its hard to leave your warm home on a cold evening & we appreciate you making the effort.

TUCKSHOP

- We are currently in the process of reviewing the tuck shop snacks menu to ensure we are compliant with the current government recommendations & see if we can offer some additional snack choices to our children. We hope to have a full recommendation for the next P&C meeting.
- We are currently reviewing programs to streamline the ordering process of the tuck shop which will allow for greater simplicity for our volunteer tuck shop convener, Jody, whilst also allowing parents to order online. The two programs we are exploring are Munch Monitors and Flexi Schools & we would welcome any suggestions on other programs. Our final recommendations should be available for the next meeting.
- In the coming month we will be ordering some new equipment for the tuck shop to facilitate easier catering for the growing number of students ordering each Thursday. If anyone has any connections with food equipment suppliers, please let us know.
- This month we are applying for a Grant through Good Guys in the hope to be able to purchase a Coffee Machine for use at School events.

FIRE BRIGADE DANCE – 2nd Sept

- The P&C have been invited to cater the Tallebudgera Valley Rural Fire Brigade Community Dance to be held on Sat 2nd September. We are currently looking for a couple of parents to volunteer to coordinate this event. We will likely be offering all non-alcoholic drinks, snacks and a meal (possibly salads, soup or bbq etc).

125 Years Event – 22nd October

- Keep the 22nd October free for our fabulous 125 year Celebration. More info to come in the coming months, but if you have any suggestions for this event or community connections you think useful we welcome your contact.

TWIGHTLIGHT MARKETS – 1ST DECEMBER

- Camilla Skye is again hosting the Twilight Markets this year. This wonderful community event was a screaming success last year and Ingleside State School is fortunate enough to have been named as the prime beneficiary of funds raised this year. Please save the date and support this wonderful event.

FATHERS DAY – SEPTEMBER

- It was agreed to try something new for this year's Father's Day stall. We will offer further information closer to the date, but in a nut shell we are hoping that these changes can offer more involvement for the children, greater variety and a bit of fun. There will also be a Father's Day Raffle where we will have a selection of FABULOUS prizes to be won.

VOLUNTEERS NEEDED

- **TALLEBUDGERA VALLEY RURAL FIRE BRIGADE COMMUNITY DANCE**
- The P&C have been invited to cater the Tallebudgera Valley Rural Fire Brigade Community Dance to be held on Sat 2nd September. We are currently looking for a couple of parents to

- volunteer to coordinate this event. We will likely be offering all non-alcoholic drinks, snacks and a meal (possibly salads, soup or bbq etc).
- **GRANT WRITING**
 - We are still in need of parent / Grandparents to assist with writing grants. There is so much opportunity to raise funds here, we just need more resources to facilitate the process.
- **LOOKING FOR BUILDERS / CARPENTERS**
 - We are hoping that we might have some parents in our community who are Builders or Carpenters. We have some relatively small renovations we are hoping to do to the staff room to facilitate a Parents P&C Room / Tuckshop separate to the Teachers Staff room. If you know of anyone in the community who might be willing to help us with this, we'd love to hear from them. Please call Suse on 0412287440
